[codes]

Expert Mode

At the How to Play screen press **←→←→N→←→←→** the word Expert will appear at the bottom.

Speedup Mode

At the Character Selection screen, hold **(START)** then choose your character.

Small Characters

This works in the versus mode only. Once you select the two fighters, hold **B+C** on both controllers all the way through the loading screen until the match starts. You must do it again for each fight you want the code to take affect.

Hidden Characters (Home version only)

To play as the hidden characters you must:

- save after clearing Jin ChonRei
- load the data and select "NEW GAME"
- when selecting a character press **B** button over each of following characters in this order (an audio cue will signal correct entries): Terry, Hon Fu, Mai, Geese, Bob, Sokaku, Andy, Bash, Joe, Mary
